**Oklahoma Indian Child Welfare Association
17th Annual Conference**

"40 Years of OICWA: Honoring Our Legacy, Strengthening Our Future"

November 12th - 14th, 2024
Downstream Casino Resort, Quapaw, OK

Greetings ICWA Advocates:

The Oklahoma Indian Child Welfare Association (OICWA) is excited to announce the dates for the 17th Annual OICWA Conference; November 12th, 13th & 14th of 2024! We are honored to be hosted by the Quapaw Nation and co-hosted by the Northeast Tribal Child Protection Team that is made up of a membership of nine Tribes including the Eastern Shawnee Tribe of Oklahoma, Miami Tribe of Oklahoma, Modoc Nation, Ottawa Tribe of Oklahoma, Peoria Tribe of Indians of Oklahoma, Quapaw Nation, Seneca-Cayuga Nation, Shawnee Tribe, and Wyandotte Nation.

We have yet another momentous cause to celebrate, the 40th anniversary of the Oklahoma Indian Child Welfare Association that is reflected in this year's conference theme, "40 Years of OICWA: Honoring Our Legacy, Strengthening Our Future." OICWA was founded in 1984 and what an eventful forty years it has been!

The goal and focus of the multi-day conference is to increase knowledge and promote the Indian Child Welfare Act of 1978 (ICWA) and Oklahoma Indian Child Welfare Act of 1982 (OICWA) through practices, laws, policies, historical reference, trauma resilience, tribal sovereignty, cultural preservation and services. The OICWA Conference is a leading training institute in the field of Indian Child Welfare in Oklahoma.

Ultimately, our purpose is to strengthen relationships and facilitate collaboration efforts through education with Tribal Child Welfare and all disciplines, such as federal and state agencies, behavioral health, law enforcement, officers to the court, juvenile justice, and therapeutic care. We believe in sharing our expertise to contribute to the collective knowledge of our field. This year's conference will offer three days of intensive ICWA training, infused with tribal culture and Indigenous traditional knowledge.

The OICWA Conference Committee is seeking support through sponsorships to assist OICWA in offsetting the cost of expenses related to the production of the conference to include nationally recognized keynote speakers, venue rental, audio/visual equipment rental, conference materials and cultural demonstrations. Your contribution is vital and directly supports Tribal Child Welfare Programs and the protection of the Indian Child Welfare Act and Indian families.

Sponsorship opportunities available for this year's conference are detailed on the attached page. OICWA will accept monetary donations of any size.

Thank you for considering an opportunity to become a sponsor for the 2024 Oklahoma Indian Child Welfare Annual Conference. Your generous contribution will assist OICWA in fulfilling its mission to promote the well-being of American Indian children, their families, and their tribes. If you have any questions regarding sponsorship opportunities, please contact Te'Ata Loper at icwa.gc@gmail.com or call 405-464-5655.
